President's Report

Well, what a year 2011 turned out to be!! 3 teams Minor Premiers, 6 teams in Semi Finals, 4 in Grand Finals, and of course the 1st Grade Premiership as reward for a record breaking year.

Congratulations firstly to our Colts, who were Runners Up in both 1st and 2nd Grade. 3rd Grade were Minor Premiers, but ran into a pretty hot University team one week short of the big one. Grand Final day at Forshaw was a pretty bleak affair, and didn't suit us, but we are proud of the way the boys played, and of the excitement they provided during the season.

Colts are a great barometer of the strength of the Club in the coming years, and to the players, all coaches, managers and support staff I say a huge thanks and well done. For those moving into Grade Rugby, please be assured that it is just as much fun, and that we need you.

In recent years, our Lower Grades have been a weakness at Eastwood. In 2011, we saw resurgence in both 3rd and 4th grade. Whilst the 4ths would have liked a few more wins, it was nice to see them competitive again after a few lean seasons. To Coaches Tyler, Blacker and Kirkby, a big thank you. Fourth Grade is tough, and it is important that we are strong. We can't win the Club Championship without you guys, and I reckon we are getting there.

Third Grade stormed into the finals, having been 16 points away with 7 rounds remaining. 10 all with about 8 minutes to go against East's at Coogee, I thought the boys were going to make it, but it wasn't to be. Well done to Fred, Hollywood and the troops (not to mention Shane Collins and his team!). 2012 looks promising.

Second Grade was outstanding in 2011. Coaches Nilan and Harrison had a pretty good young squad to work with, and they didn't disappoint. 18 wins from 22 secured the Minor Premiership, but a very good South's team was too good on Grand Final day, and secured their first ever Grade Premiership. Losing a few 2nd Rowers in our last month or so didn't help the 2s, and I think I counted 5 Front Rowers in our Grand Final pack!! I know the boys were very disappointed to let the big one slip, but I hope the pain spurs you on in 2012.

What can we say about First Grade? I can't remember a season like it. Records broken everywhere. Only one loss, on a Wednesday night to the Rats (who came 10th!!).

It sure took some winning, but after 100 minutes of tension, the boys got what they deserved. Premierships are so hard to win, and those pesky Students wouldn't lie down, but we made it, and the Rugby world rejoiced.

They just played beautifully all year. Defensively outstanding, speed and flair throughout, brilliant on counter attack, and the ability to find a way to win when it didn't look good.

To John Manenti and Stu Woodhouse, and of course the support team, we simply say Thanks for giving us such a year of highlights. John was rightly awarded Coach of the Year at the Catchpole Medal presentation, but the team around him can take plenty of credit.

Very hard to single anyone out after such a great year, but special mention to Hugh Perrett, our Captain, who deserved more than anyone to hold the Shute Shield aloft on Grand Final day. I could write glowing reports of every player, but there is no room here. Let me just say that in our minds, we remember every great thing each of you did during this wonderful season.

2011 will be hard to beat for all of us, but there are a couple of things for us to aim at in 2012 if we want Eastwood to be regarded as the best Club in town. It is hard to imagine, but we still didn't win the Club Championship!!, and I know the season ended in disappointment for those who fell just short of the big prize. Let us commit to getting better as a Club, because we can, and we want to.

To everyone who devotes a large portion of their life volunteering for the Woods, you are amazing!! We have the best support staff and supporters in the comp, and it shows on the field. Noticeable to me is that Eastwood people do it for the boys, not for themselves, and it is why we have success. All the money in the world does not make us a better Club. The best people make us a better Club, and your continued efforts are very much appreciated.

Enjoy the off season, you should be proud of yourselves. Bring on 2012 !!

Brett Papworth

Chairman's Report

The 2011 year was a very successful one for the Club and was in a large part a result of a range of initiatives that have been put in place over the last few years. These include the role of Director of Rugby, a dedicated first grade coach and a Colts Coaching coordinator. I will detail more on these later in this report but the results speak for themselves.

- 2nd in the Club Championship (up from 5th in 2010)
- Three teams minor premiers (1st Grade, 2nd Grade and 3rd Grade Colts)
- Six of our seven teams semi finalists (1st, 2nd and 3rd Grade, plus 1st, 2nd and 3rd Colts)
- Four of our teams were grand finalists (1st and 2nd Grade, plus 1st and 2nd Colts)
- Premiers in 1st Grade

Director of Rugby and Coaching Structure

A key initiative that the Board undertook in 2010 was to strengthen the Club by creating a new position, Director of Rugby, to oversee the operations of all teams and all players and to ensure that the production line of talent which has long been a strength of Eastwood rugby, continues well into the future. The Director of Rugby is an unpaid role and has been very ably filled by Graeme Harrison since 2010. Graeme, as well as being a member of the Board has also been the second grade coach and this year coached the team to the grand final. He has nonetheless very ably fulfilled the broader role as Director of Rugby and worked closely with John Manenti in first grade, along with all other coaches throughout the Club to ensure a quality, coordinated and successful rugby program was delivered in 2011. The results outlined above speak for themselves and I would like to thank all the coaches and support staff that made this possible, in particular the lower grades that had significantly improved performances compared with the previous year.

A key part of the establishment of the Director of Rugby role was that it allowed the first grade coach to concentrate on our flagship team and the outstanding success of the team in 2011 reflected the benefits of this. Having said this, John Manenti understands the importance of a strong and successful club comes from all teams and was very generous with his time and efforts in this regard with support for all aspects of the club.

Another key appointment was that of Ian Moyes as the Colts Coaching coordinator in 2010 and again in 2011. Ian has also been the first grade colts coach since that time. Ian has built on the great work of 2010 and has once again done a wonderful job in building a strong structure and a very positive culture in colts, and this was reflected in the successes on the rugby field in 2011. The work that Ian and all the Colts coaching team have done will be a key to ensuring the future strength of Eastwood Rugby as these boys move into the grade ranks over the next couple of years. 2011 has already seen the benefit of this with improved results in our lower grades

Sponsorship

Sponsorship is always a challenge for rugby clubs such as Eastwood. After a couple of lean years in this regard, we were fortunate to now have three major sponsors in NRRSL, FilterTex Media and the Bayview Boulevard Hotel.

NRRSL has been a long standing partner and supporter of the Club. I would particularly like to thank Barry Herbert and his Board for their unwavering support.

Our long time supporter Craig Perkins continued his support with his new company FilterTex Media. Craig's sponsorship provided much needed financial stability to the Club so we are very grateful to Craig and FilterTex.

We were also fortunate to have a new sponsor come on board in 2011. The Bayview Boulevard Hotel has provided wonderful support throughout the year;- Dave Stavert and his team have also been keen fans throughout the year.

It is also important to note that our other long term sponsors have also largely continued their commitment to the Club, and their ongoing support is equally important to our success. On behalf of all at Eastwood Rugby I would like to thank them all for their enthusiasm and ongoing commitment.

To all our sponsors and supporters, we trust that you gained a great deal of personal satisfaction from knowing the large extent to which you contributed to our great success this year.

Finance

Despite the support from our sponsors, Eastwood Rugby overall operates on about half the revenue of some other Sydney clubs and well below that of the majority of our peers. Nonetheless, the Club continues to punch above our weight. Clearly having the right culture, people, structure and attitude are the necessary requirements for a successful rugby club.

Although operating on a lesser budget than 2010, the Club finished the financial year with a small operating loss of approximately \$11k. In a perverse outcome, this was a result of winning all but one of our games in first grade during the year. Whilst admittedly the net position is once again modest, it is nonetheless proves that the Club can operate in an environment of fiscal constraint and still be highly competitive on the field. The success on the field this year, particularly by the first grade team, has brought increased interest from potential sponsors.

Apart from cutting our expenditure, we were able to meet our financial commitments through a number of other means

- Membership – Membership income continues to grow as a result of enhanced membership packages and loyal supporters who support the Clubs financial situation by signing up to these packages.
- Friends of Eastwood – see below
- Game day activities, in particular merchandise and raffles

Friends of Eastwood

The Club commenced a Friends program this year and I would like to thank Rob Gillespie for his efforts in bringing this to fruition. This has provided an opportunity for past players to support the Club in a tangible way and put something back into the Club that has given them so much. It has also be a great opportunity to renew and maintain the many friendships developed through our association with Eastwood Rugby. Whilst there has been a promising start to the Friends of Eastwood, there is great opportunity to build on this important initiative for the future success of Eastwood Rugby.

Governance and Volunteers

I would like to thank and acknowledge the efforts of a number of people. My fellow board members, President Brett Papworth, Ian Williams, Sam Manion, Geoff Garland, Graeme Harrison and Russell Gunn for their focus and commitment. Rob Frost has once again done a wonderful in the role of General Manager. Rob has been invaluable in the role and has ensured that Eastwood Rugby Club is always presented as a highly professional rugby club, and continues to be seen as one of the leaders in the Sydney Club Rugby both on and off the field.

In particular I would like to acknowledge the efforts of all the people who volunteer their time and skills for the Club. It is one of our major strengths and it's a wonderful part of the culture of our Club. It is a fact however that now we have a smaller number doing much more, so we need more volunteers. I trust all our players recognise and appreciate that without them, Eastwood Rugby Club would simply not operate.

Our off the field activities, particularly the major functions during the year, continue to be important for our members and supporters as well as providing vital additional revenue. The key function once again was the very successful Eastwood Legends Dinner where we were entertained by 'Slammin' Sam Kekovich and our first world cup winning team members from 1991, Wallaby greats; captain Nick Farr-Jones and our very own Marty Roebuck. It was a wonderful evening and has become a much anticipated event in the rugby calendar as well as being a great showcase for the Club.

The All Stars Night held after the last round of the competition to recognise the efforts of our players and our teams was again a highlight.

The Future

Once again we will be entering a year of uncharted territory in 2012. As well as an extended Super 15 season which will mean the Club is without many of our representative players the majority of the season, there is likely to be a change in the format of the club competition with a reduced number of rounds. Rumours of a national club competition also continue to circulate adding to the level of uncertainty.

We will of course remain absolutely focused on keeping the Club viable through a combination of strong cost control and judicious, highly targeted and strategic expenditure. We continue to seek major sponsors for 2012. In addition to this the Board also continues to explore options that will provide a sustainable platform for the Club that will allow it to grow and continue its success into the future and build on the outstanding year the Eastwood Rugby has had on the field in 2011.

In this regard Eastwood Rugby needs to develop a viable business model moving forward if we are to maintain success on the field. To highlight the problem with an example, in 2001 the club had approximately 1,000 members. The numbers have progressively dropped to a point where in 2011 the Club has less than 200 members. As a consequence and despite a stellar year on the field where excellent crowds were achieved, gate takings have fallen from \$32,000 in 2010 to \$19,000 in 2011. The Board will be exploring a number of options to address this matter which is critical to the Club's future.

Team Reports

1st Grade

Now that the dust has settled and I look the season that we have had, I still can't believe it.

There is no question that when any team puts on a jersey that they are playing to win, but to finish with a record of 23 from 24 wins was a remarkable achievement. The Woodies team of 2011 will be remembered for many records they set on the way to the premiership as much as the style in which they played.

Along with some parts I'll list below, some memorable moments for me included putting 50 points on Easts in the top of the table clash in round six, scoring a 16 phase try after the bell against Wests to remain undefeated at the time, putting a cricket score on Randwick in the semi-final, Pierre Hola tucking the ball under his arm and steam rolling Daniel Halangahu in the GF & most memorably, the sight of captain Hugh Perrett being chaired by the supporters with the Shute Shield held up high.

The season gave many of our players a chance to shine. I'm sure all would agree that our Rookie of the Year, Nic White was outstanding and destined for higher honours both with the Brumbies and Australia. The First Grade player of the year, Pierre Hola was a veteran, but a new player to Eastwood; in Pierre we found the perfect play-maker to ignite our back line. Pierre played in every first grade game this season & was the only player to do so. He could kick a goal too. The player of the year was Chris Alcock. On the back of his great form with the Woodies, he pushed his claim to be the Waratah's premier open side flanker; he looks set for a big 2012 with the Tahs. Hugh Perrett also played his way into the Tahs on the back of great form and led this team on its journey through to the GF. There is no better ambassador for the Eastwood Rugby Club.

As I've said in the past, every player was a hero on Grand Final day, with the front row paving the way to victory. It was a most complete team who went from the entertainers against Randwick and Norths in the semis to the grind-it-out style game that evolved in the GF conditions.

Some season highlights include:

- Shute Shield Winners
- Minor Premiers
- Best attacking record – 924 Points
- Best Defensive record – 352 Points
- Leading point scorer – All grades – Pierre Hola – 301 points
- Leading Try Score 1st Grade – John Grant – 17 tries
- Sir Roden Cutler Shield
- Winner of all inter club shields
- Win ratio of 23:24

Over 50 players made up first grade this season & every one contributed in some manner to our success. Together, with the management team of Daryl and Horrie and the medical team of Doc, Simonne, Trev and Steve we combined to get the best out of the group and create a winning culture that was contagious. Stu Woodhouse came in as my assistant coach and was of great support to me and the team. Stu is a great asset for the club and we look forward to working together in 2012. My thanks to this crew of people, who made 2011 so special.

I don't know if 2012 can match this season but we'll certainly be trying...See you at T.G. Millner next year...

John Manenti

2nd Grade

The season went according to plan (with the obvious exception of the final result). My aim at the beginning of the year was to make the grand final and the boys delivered. Although we didn't come away with the Colin Caird Shield I think we can be nothing short of proud to have played in the final game of the season.

The combination of Graeme Harrison and Myself seemed to work well with the playing roster. We adopted simple weekly goals and game plans that were clear to the players in terms of what we needed to achieve. This approach developed throughout the season as the playing group strengthened.

Highlights from the year was the game against Sydney Uni at T.G. Millner which we won 27 to 17. This was one of the best games of rugby I have ever seen. We showed no fear against a superstar Uni pack and over the 80 minute period the boys played out of their skins. Another game to remember for the year was the semi-final against Randwick, a near faultless performance that secured our place in the grand final.

Special mention has to go to our two captains for the season. Firstly lead by Mick "Snowy" Snowden who unfortunately missed the second half of the season to a wrist injury. However in true Snowy style he managed his recovery and we saw him return

for the finals. Chris Dan took over the captaincy for the rest of the year and was also awarded our best & fairest award. Chris is an invaluable player on the park who will tackle anything that is running. He was our best for the year and deserved his runs in first grade. Two players who deserve a mention are Dylan Brass and Miles McCaffrey. Dylan was reliable and consistent around the park and he has been rewarded for his efforts with a playing contract overseas. The other is to Miles McCaffrey. An honest and hard footballer who unfortunately missed the grand final due to a shoulder injury sustained in the semi-final.

This was a great year; a great second grade team, a great support crew, a new addition to my family with a son 'Eamon' and overall a great club. The only way to sum up the year for second grade is "Top Notch".

Matty Nilan

3rd Grade

Third Grade will most likely be remembered in 2011 for one or more of 3 reasons:

1. We made the finals, although we were knocked out in the elimination final.
2. We came home with a wet sail. The draw saw us face the top teams early on. We hoped to win 4 of our first 6 games, and fell one short. We did ok against the lower placed teams, had a stirring win against Souths and then copped a couple of hidings against Uni and Randwick. At Round 17, we were 16 points outside the top 6, but regrouped and, with a settled squad, won 6 of the last 7, all with a bonus point. The win against Wests (from being down 10-21 with 3 minutes to go) was memorable, and paved the way for a well-deserved place in the finals series, which we grabbed by tipping Norths out in the last round.
3. Our run home was due in no small part to the leadership of skipper Shane Collins, who joined us in Round 15.

We had 56 players take the field for us during the year, and those who featured in half our games, and highest point-scorers were:

Appearances		Most Points		C	P	Total
Tim Williams	21	Gus McEntyre	6	26	6	100
Dave Karamanis	18	Mike Zylstra	9	3	1	54
Chris Satiu	18	Filipo Toala	1	13	2	37
Mike Zylstra	17	Shane Collins	6	0	0	30
Sam Behan	15	Tim Williams	5	0	0	25
Aaron Quadrio	14	Tom Lowe	5	0	0	25
Tom Lowe	12	Nathan Powyer	3	3	0	21
Gus McEntyre	12	Team Total	84	47	9	541
Jack Warfield	12					

Chris Satiu was the worthy winner of the Best & Fairest award, and Tim Williams won the Players' Player Award. Gus McEntyre must be congratulated for his 100 points (in 12 games). Sam "Buzz" Behan was always enthusiastic, and Adam Daburger was outstanding until his season was ended through injury.

Congratulations and thanks are due too, to those who captained the team throughout the year: Matt Page, James "Weapon" Neale, Dave Karamanis and the incomparable Shane Collins.

Heartfelt thanks from 3rd Grade to all coaches, managers, medical staff, groundsman and supporters. Special thanks to all involved in 4th Grade for providing such good support throughout the season. My personal thanks to Mike "Hollywood" Andress, and to Steve Kelly and Gerry Landon for their unflinching commitment, expertise and effort.

One premiership, four grand finals, 6 teams in the finals (and one just missing out) provides a wonderful base from which to build bigger and better. Congratulations to all.

Go the Woods.

Fred Spark

4th Grade

Eastwood 4th Grade 2011, a great team of Men and a successful year.

Although the results on the face of them, we made great strides this year and the trend is certainly in the right direction :

	Wins	Draw	Bonus points	Total Points	Position	Club Championship points	For	Against
2010	3	0	2	14	10/11	56	159	731
2011	7	1	6	36	8/12	144	360	561

During the season there were 66 players who contributed to the club in 4ths. With two players playing First Grade – Matt Powell and Aaron Astley. Special mention to Wayne Harvey who retired after the Norths game (He also started more games than any other player in 4ths) and to the three men of colts age who elected to play with us this season – Dean Frost, Ben Frampton and Dan Simpson – who was our Most Improved Player and also hit the paddock in 21 of our 22 competition rounds. Also the guest appearances from David Kirkby and Jake Westwood from Colts a special thanks.

As a coaching and management squad our philosophy was for the players to have fun and learn every week. Sometimes it wasn't fun, however, none shirked the task and all players should be proud of their efforts. We believe our goal was achieved.

To James Ugarte, the captain for the majority of the season (a task he did not relish), saw him grow as a player, leader and a man. The passion in this team came from within, his leadership, the added enthusiasm from Paul Cividin and the older brigade of Kenty, Roady, Stracka and Buddha was infectious. Chris (Grievous) Hickey also led the team when requested, showed the team how to do the business, we appreciated his efforts.

These players all grew as men and then as a unit, this was shown in the last 6 rounds where their self belief and trust in their team-mates shone. We shook the Minor Premiers and Premiers Easts and defeated Wests who were their Grand Final opponents.

As a group, we are looking forward next season, contributing more to the Club Championship and featuring in the Post Season.

Thanks to Trevor Higgins, for his tireless efforts, to Yann, Harry and Big Phil when he could make it as managers, to Mike and Kirks for coaching with me and the rest of the coaches and management at Eastwood. To Barry Budd and the ball-boys and Maddie thank you for your efforts and professionalism are much appreciated and finally to Lloyd and Rodney our Touch Judges.

Colts 1

Eastwood 1st Colts: Consecutive Grand Finals, Third on the table in the Minor Premiership and heading up a Colts Club which acquitted itself meritoriously in all departments in 2011.

But the real story is in the way this team played and statistics help to illustrate that story. Scoring 906 points to 479, with an average game score of 36-19 and 5.6 tries per game, the team was adventurous and enterprising at all times. Alex Del Moro scored an amazing 28 tries in the 23 games and he also played in every minute of every game. Other top try scorers include Blake Sutton 11, Bruce Satiu 10, Jed Gillespie 9, Tannous Ferris 9 and Brad Curtis 9.

We played our rugby with a mix of forward skill and power and expansive back play, developing various attacking methods to make it difficult for our opponents to contain us. That worked. Our defence was resilient and herculean at times, but we quite regularly slipped up and allowed too many tries against us. But that is probably the trade-off for our high risk style of play.

Our most impressive games were: 41-10 v Easts away and 50-plus scores against Warringah, Souths, Norths, Wests & Parramatta (twice); a ridiculous 37-all draw with Gordon; an amazing 6-tries-all 36-43 loss to Uni away in which we scored 36 straight points in the second half; a total rout (62-3) of West Harbour in the Semi and then a highly impressive 36-27 Final victory over Manly. The Grand Final was not our best game, affected by illness and played in very wet conditions not conducive to our style, but Uni's professionalism and efficiency were undeniable.

Throughout the season the pack off Gillespie, Ferris, Lagudi, Shore, White, Larkin, Shewan, Berndt and Kent was dominant, skilful and aggressive, winning quality ball and attacking with flair and telling effect. The back line of Lewthwaite, O'Connor, Sefuiva, Sutton, Satiu, Del Moro, Tamone and Curtis cut opponents to shreds with their exhilarating play. Thanks to Manager Chris, Co-ordinator Paul, Physio Pat and Bee, Veronica and our other assistants for their sterling work. Coaches Moyes & Moore congratulate this team on their outstanding season and thank the Club for the opportunity and its support.

Colts 2

This year saw an influx of new players into the Colts ranks with a lot of the guys having their first season with Eastwood Colts. In 2nd Grade particularly it took some time for the new players to adjust to the way we wanted to play the game and settling on a stable line up took some time with a number of new players being tested. By mid season we were able to achieve a steady line up and the boys worked hard on their skills and structure.

The last 2 months of the season, the business end, the boys played some outstanding football beating very good opposition who were also vying for semi finals places. Our round 20 game against Wests was a turning point; with the team defeating a giant Wests team on a rain soaked Galston High Oval. Wests were desperate to hold onto to fourth spot on the table but our guys played relentless rugby resulting in a gutsy 15 -5 win.

A narrow 12 – 10 loss to 2nd placed Easts the following week gave the boys huge confidence that they could compete against the higher placed teams and a strong performance against Norths in the last round saw the team move into the semi finals with momentum.

2nds finished fourth on the table and had an outstanding semi final series accounting for Gordon 33-20 then defeating Easts the following week 21-17 to advance to the Grand Final for first time in many years. Here they met Sydney University, a team who had not lost a game all year. The boys punched well above their weight in the Grand Final and with the score locked at 7-7 at half time they gave Uni a hell of a scare. Unfortunately Uni scored two tries in the last twenty minutes to secure their win 22-7.

Josh Calderan as 2nds Captain led the team well all year, particularly during the final series. James Martin was stand out at full back and Sione “Boy” Fangia improved with every game. Alex Maguire, Coren Shore, Oli Luck, Hugh Miller and Rob Beath will be heading off to Grade next year and we wish them all best. Alex and Coren have been mainstays with the Colts, not just for 2nds this year but for the past few years.

2nds flew under the radar all year with 1st and 3rd leading the way with their own great seasons. To make the 2nd Grade Colts Grand Final was an outstanding achievement and I hope the team realises this, playing in Grand Finals doesn't happen all the time. All the players who represented 2nd Grade Colts this year have done themselves and Eastwood Rugby proud.

Special thanks to Ray Larkin for his help as 2nds Manager and to Chris Otton, Dave White and Veronica Gray, the rest of the Managers team who although are responsible for their own teams also help out whenever needed.

Colts 3

Congratulations to all the players who played Third Grade Colts this year, finishing the season as Minor Premiers and contributing greatly to the overall success and culture of Colts.

A total of 50 players came through our ranks with as many as 20 players going on to play 1sts and 2nds while a hard core of 30 made 3rds their home for the year. Player rotation became an essential part of our team values and I thank the boys for their cooperation. The team was made up of only a handful of experienced players and lead throughout the season by skipper Scott Templeman who mentored the younger players, many of who were in their first year of Colts to build and bond a strong team for the future.

While we unfortunately bowed out in the Preliminary Final to a star studded "international" University team who went on to take the Premiership, the boys played trademark Woods rugby throughout the season. They had the ability to switch on and train and play football like a first grade side but then when the rugby was over they enjoyed the conviviality like only a third grade team can do.

Our season statistics were daunting, 87 points including 17 bonus points for 17 wins, 1 draw and 4 losses from 22 games. A total of 619 points were scored with an enviable defensive record of 202 points against averaging a score line of 28 for 9. Great work and memorable games.

NOTE 1 - STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act (NSW) 1984. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act (NSW) 1984 and the following Australian Accounting Standards:

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:
